PROFILE SUMMARY

Strategy and operations professional with **4+ years at Amazon** driving structured problem solving, cost optimization, and data-backed decision making across complex cross-functional programs - backed by a Great Lakes PGPM in Finance, with a track record of translating analytical findings into actionable recommendations for senior leadership

PROFESSIONAL EXPERIENCE

Software Support Engineer – II | Amazon India Pvt. Ltd | Oct 2022 - Apr 2025

- Conducted a current-state audit of operational workflows, identified that **70% of weekly alerts were false positives** through structured root-cause analysis, and drove a cross-functional redesign, delivering **60% reduction in operational workload**
- Mitigated **600+ operational and security risks** across Books Detail Page by systematically assessing, prioritizing, and remediating vulnerabilities - designing automated controls that permanently eliminated 48+ recurring compliance risks across 7 host classes
- Identified infrastructure redundancies through structured cost-benefit analysis, built the business case for leadership, and drove a consolidation program delivering **50% reduction in monthly AWS costs** with zero disruption to ongoing operations
- Owned executive KPI reporting for senior leadership across 4 organizations for 12+ months, aggregating cross-functional data into monthly dashboards that **enabled leadership to identify performance gaps and take targeted corrective action** on org-wide goals

Device Associate | Amazon India Pvt. Ltd | Mar 2021 - Oct 2022

- Analyzed UX feedback data to diagnose pre-release quality gaps across Amazon Echo, Fire TV, and Tablet launches - translating findings into **30+ targeted test scenarios** that reduced pre-release defects by **~25%**
- Drove standardization of release workflows and stakeholder reporting formats across Amazon device launches - **reducing release cycle time by 12%** and improving delivery consistency as the primary owner of the initiative

PROJECTS

- Apollo 24/7 - Market Expansion White-Paper:** Led a mixed-methods study with 150+ users to assess digital healthcare adoption gaps among India's college students - diagnosed key barriers across pricing, accessibility, and awareness, and delivered a **hybrid go-to-market strategy** with phased service design recommendations
- Markowitz Portfolio Optimization - Indian Equity Markets:** Applied mean-variance optimization across a 20-asset Indian equity portfolio, **delivering a strategy that outperformed the equal-weight benchmark by 39.14 percentage points**, demonstrating quantitative financial modelling and investment analysis capability

EDUCATIONAL QUALIFICATIONS

- Great Lakes Institute of Management, Chennai, India** | Post Graduate Program in Management (PGPM) | CGPA: 3.23/4.00 | 2026
